

# Weight Watchers® Easy Pay\*

## ► OUR NEW PAYMENT OPTION MAKES IT EASIER THAN EVER TO PARTICIPATE IN WEIGHT WATCHERS

With Weight Watchers Easy Pay, you are now able to distribute the total cost of the Weight Watchers offering into equal monthly payments, rather than one up-front fee. Best of all, the charge will be billed directly to your credit card, so there's no extra effort required to arrange for payment. You simply provide your credit card information and we'll take care of the rest.

## ► IT'S EASY AS 1-2-3

- 1 Call the Weight Watchers dedicated toll-free number for your company.
- 2 Advise the Weight Watchers Customer Service Representative of the offering you would like to purchase.
- 3 Provide your credit card information and we'll take care of the rest.

The number of monthly payment options available through Easy Pay will be determined by the length of the Weight Watchers offering you select.
